Re: Plugging of the OBrien No. 1
NW/4 NW/4 of Section 26
Township 8 South, Range 29 East
Eddy County, New Mexico

Gentlemen:

The location has been cleared and the marker set on the above well. We are enclosing the remaining reports and the logs that you will need to complete your records i.e., the originals and two copies each of the Well Completion report and the Sundry report to plug and abandon the well, plus the cementing report.

If you should need additional information, please advise.

Yours very truly,

Neil W. Weldon
