Gentlemen:

A recent inspection shows this well is covered with sand. The last report you filed shows you pulled the rods, pump and tubing in 1976.

Please send us the necessary paper work as to what has been done to this well since the above reported work done in 1976.

If you have any questions concerning this matter, please do not hesitate to call upon me.

Sincerely yours, .

Mike B. Williams
Oil & Gas Inspector
