Acme San Andres Pool

Dear Sir:

This office is in receipt of your Form C-116 for the above captioned well.

However, before we can issue an allowable, you will need to file a Form C-103 showing what work has been done to put the well back on production.

At this time, we show it as shut-in in the proration schedule.

As soon as we have the Form C-103 from your office, we will assign an allowable for this well.

Very truly yours,

A handwritten signature in cursive script, reading "Leslie A. Clements".
