Dear Mr. Gressett:

I filled out a plugging report, Form C-103, on the subject well  
December 13, 1974, and received an approved copy dated  
February 6, 1975.

If everything is in order, would you please send me a release  
of surety. My plugging bond was a one well bond for the subject  
well only.

If you need additional information, please let me know.

Yours very truly,

*Bill H. McWilliams*
