Mr. Leland A. Mermis  
Field Supervisor  
Oil Conservation Commission  
Drawer DD  
Artesia, New Mexico 88210

Dear Mr. Mermis:

On January 9, 1976, we treated the Graves #1 well in Chaves County with 50 bbl. of condensate. Would you please advise and forward forms for reporting this to the State.

This was the first time for treatment and we are not familiar with the treatment and regular production separation. Please advise.

Yours very truly,

THE HARLOW CORPORATION

Don Hutson,  
Field Operations Supt.
