Chaves County, N. M.

Dear Mr. Harlow:

Notice of Intention to Drill the subject well was approved on January 3, 1975, and to date, no progress reports, Forms C-103, have been received.

However; according to the most recent scout report, said well was at a total depth of 3000'.

Please refer to Commission Rule 1103 and submit all delinquent reports accordingly.

Failure to comply immediately, will result in this matter being referred to our attorney for further action.

Yours very truly,

OIL CONSERVATION COMMISSION
