#1-P, 9-10-27  
Chaves County, N. M.

Dear Mr. Gressett:

Enclosed please find gamma ray-neutron log and bonding log.

This well was plugged subject to your approval by the Land Oil Co. of Lovington, New Mexico. I am sending your notice on to the Land Oil Co. to have the dead men cut off and the sump cleaned off. There is very little to do on the sump.

If there is any other information you need, please send me the forms other than the abandonment of the hole.

I will be back in Roswell within the next thirty (30) days. I will see you as soon as I return.

Sincerely yours,

By
