Dear Bill,

In regard to the LF Ranch 10 No. 1 well, I have requested Mrs. Hethcox to fill out a form C-1C with the following information. I do not have a file on that well, so I could not fill out the form. The Tubing and casing are still in the well. It is undecided now whether to use it for water disposal or an injection well. He would like an extension on this. No work has been done on the well since the last report to your office.

Sincerely,

CC: Mrs. Hethcox
