Gentlemen:

To date we have not had a reply concerning our letter to you dated November 14, 1977, regarding a corrected C-103 and a C-105 on the subject well.

A more recent inspection on February 10, 1978 of the location shows that you need to cover the pits and cellar, remove the dead-men and clean the location.

Failure to comply with this letter immediately will result in action by our attorney.

Sincerely yours,

Mike Williams
