Dear Sir:

I am returning the enclosed Forms C-105 because the information is on an outdated form and more information is required on the new form. Please find a small supply of the new Form C-105 enclosed for your use. The back side of the new Form C-105, revised 11-1-76, must be filled out as well as the front side.

Your immediate attention to this matter will be appreciated. If any questions should arise, do not hesitate to call me.

Sincerely yours, \

Mike B. Williams
