Gentlemen:

Form C-101 Application for Permit to Drill the subject well was approved on February 12, 1976 and to date, no further reports have been received. However; according to the scout report, the well has been drilled to a total depth of 1262 and casing set for a completion attempt.

Therefore, please submit Form C-103 reporting hour and dated spudded, setting and cementing each string of casing, including the amount, size, grade and weight, the amount of cement and additives, WOC time, etc., the perforations, treatment, results and one copy of each log run on the well.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
