Re: State #1-C-31-10-27
Garner #1-D-23-14-25
Chaves County, NM

Gentlemen:

To date, this office has had no response to our letters of December 2, 1976 requesting reports on the subject wells. On a recent field inspection, we found the Garner #1-D in 23-14-25 to be shut-in. However, the valve is leaking a small amount of salt water into the cellar.

Therefore, by copy of this letter, I am referring this matter to our attorney and requesting that we commence appropriate legal proceedings.

Sincerely yours,

A handwritten signature in cursive script, reading "W.A. Gressett".
