(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was originally drilled (under Read & Stevens, Inc. lease bond) by Musgrave & Thomas of Abilene, Texas. The Subsequent Report of Abandonment was filed June 1, 1976 showing the operations completed May 12, 1976.

According to USGS notification of July 28, 1980, this well was not properly abandoned. Read & Stevens, Inc. plans to run tubing in the hole and commence plugging operations to complete the original work according to USGS specifications.

18. I hereby certify that the foregoing is true and correct
