35. List of Attachments	
36. I hereby certify that the information shown on both sides of this form is true and complete to the best of my knowledge and belief.	
SIGNED	J. O. McGinnis TITLE Petroleum Engineer DATE 11/3/76

This form is to be filed with the appropriate District Office of the Commission not later than 20 days after the completion of any newly-digged or deepened well. It shall be accompanied by one copy of all electrical and related drawings and a summary of all test data taken, including data from tests. All data presented shall be accurate, to the best of the engineer's knowledge, and in the care of discretion. If different well logs are taken, they shall be attached to the report. For multiple completion items 3g through 3d shall be reported for each zone. The form is to be filed in quadruplicate, except on state land, where six copies are required. See Rule 1105.
