Gentlemen: ✓

In compliance with your letter of August 11, 1977, and Memo 2-75 dated June 16, 1975, please be advised of the following information regarding the Union Oil Company of California operated Bosque Springs Well No. 1, located in Unit Letter D, Section 34, Township 6 South, Range 28 East, Chaves County, New Mexico.

The Permian Corporation will transport the oil and will be the purchaser of the oil, also. The contract will be for less than six months. Gas volume from the well is too small to measure.

We are enclosing a copy of New Mexico Oil Conservation Commission Form C-105, Well Completion Report, for the subject well.

Yours very truly,

for L. F. Thompson
