Dear Sir:

Form C-103, Subsequent Report of Casing Test and Cement Job, was approved January 11, 1978 on the White Plains #1.

Form C-103, Subsequent Report of Remedial Work, was approved on September 26, 1977 on the Plains State #4.

Form C-103, Subsequent Report of Casing Test and Cement Job, was approved on January 11, 1978 on the Plains State #6.

Form C-103, Subsequent Report of Casing Test and Cement Job, was approved on April 25, 1977 on the L.E. Minerals #1.

As of this date, this office has received no further reports on the subject wells.

Please advise this office as to the current status of these wells and file all necessary subsequent reports as soon as possible.

Sincerely yours,

Mike B. Williams
Oil & Gas Inspector
