MAY 2.9 1978

D. C. C. ARTESIA, DEFIGE

Mr. Bill Gressett Oil Conservation Commission District II Drawer DD Artesia, New Mexico 88210

Dear Mr. Gressett:

I enclose herewith a copy of the C-103 covering the Plains Radio #1 located in Chaves County, New Mexico.

On February 3, 1978 I acquired Coronado Exploration Corporation with the intention of transferring to it all operations conducted by me or Yates Exploration Corporation. It has taken some time to take care of all of the administrative paperwork, and consequently there has been a delay in getting this change of operator notice to you. I apologize for the delay.

Coronado Exploration has a statewide plugging bond No. AE-71333-90.

Yours Truly, Harvey E. Yates, Jr.
