Dear Mr. Williamson:

On August 29, 1978, we discussed a proposed plugging procedure on the subject well. To date, this office has not received the required forms.

Please submit Form C-103, Notice of Intent To Plug, Form C-103, Subsequent Report of Plugging, Form C-105, Well Completion Report and Log accompanied by the deviation and drill stem tests, and a finished copy of each log ran on the well.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor, District II
