Gentlemen:

Research of the formation tops reported by you and other companies show disharmony in correct nomenclature. This office would like to change the designation of the Sand Ranch-Atoka Gas Pool to the Sand Ranch-Morrow Gas Pool, as said wells in pool are producing from the same interval as the Oasis-Morrow Gas Pool. This change would also result in the renaming of the Oasis-Morrow to the Sand Ranch-Morrow Gas Pool.

If you have any questions, please contact me at this office at your earliest convenience.

Sincerely yours,

Larry Brooks
Geologist
