Gentlemen:

As of this date we have not received an answer to our letter dated Sept. 27, 1988 regarding the above captioned well. The correspondence we received was on November 17, 1981 stating that the well was shut down. Please submit all necessary reports to update our files. We need completion report C-105, deviation survey and logs. If well was plugged and abandoned submit a P & A report.

Thank you for your prompt attention to this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mike Williams".
