Chaves County, N.M.

Gentlemen:

We hereby acknowledge receipt of Form C-101 and C-102 on the subject wells. However, the well number-section numbering used is not acceptable, and you have dedicated 320 acres to each well and this is not in accordance with Division Rule 104.

If the 17 and 19 are used, they must be with the lease name, and you can only dedicate 40 acres to each well.

Please contact this office concerning this matter.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
