

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 30 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical log print, survey log print on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of the cased or drilled wells, true vertical depth shall also be reported. For multiple casing entries, from 30 through 34 shall be reported for each hole. The form is to be filed in quadruplicate except on state land, where all copies are to be filed. See Rule 1105.
