POOL Twin Lakes - San Andres Assoc.

Gentlemen:

As of January 31, 19 81 our records reflect your

O'Brien I lease to be 4770

barrels over produced. This figure is more than five (5) times the daily allowable of 561 barrels.

Further your Transporter has over-run this lease by 3336 barrels.

Legal over-production is considered as five (5) times the daily allowable. Any production over that figure must be compensated for by under-production.

If these figures do not agree with your records, contact Mr. R. L. Stamets, Box 2088, Santa Fe, New Mexico, 87501.

Yours very truly,

W. A. Gressett  
Supervisor, District II
