the average dedicated to subject matter relevant to the area.

It is important that the case is dealt with in the well-known manner, and that the case is not allowed to stand as a precedent.

(v) If more than one lease of different ownership is held over a tract, the lease will terminate if the well is shut-in by abandonment, unitization, force pooling, etc.

X Yes ☐ No ☐ If answer is "yes," type of consultation: **Farmouts**

Farmouts

If answer is "n" list the owners and tract descriptions as shown on the map. If the owner is not on the map, list the owner's name and address. If the owner is not known, list the name of the person or company who has possession of this land if necessary. _____

Verbal ability will be assigned to the verbal ability tests from the Wechsler Adult Intelligence Scale (Wechsler, 1974) and the Wechsler Intelligence Scale for Children (Wechsler, 1974). For computing a composite score, a standard method of averaging scores from the two tests will be used (see Appendix 1).
