

This form is to be filled with the appropriate District Office of the Commission not later than 20 days after the completion of any newly-surveyed or deepened well. It shall be accompanied by a copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of sectionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each. The form is to be filled in quintuplicate except on state land, where six copies are required. See Rule 1105.
