Dear Mr. Carroll:

Re: Case No. 11229  
Powell #1  
Chaves County, New Mexico

Per our telephone conversation on April 6, 1995, this is to confirm that our company will meet its obligation to plug and abandon the subject well.

As indicated in the April 5, 1995 conversation between Ray Smith in your offices and Duane Tessier with Total Minatome Corporation, we are currently gathering the well data and contacting various service companies in order to get a cost estimate for plugging this well.

We, therefore, at your suggestion, hereby request a continuance of the hearing now scheduled for April 10, 1995 until May 4, 1995.

Cordially,

  
Annette J. Mitchell
