Re: Location Final Inspection, Powell #1 Ut C, Sec 23-7S-28E

Dear Cammy,

Upon final inspection of the Powell #1 location it is noted that the location has not been fully cleaned and leveled.

The pit in the background of the photo will need to be filled and leveled. The fence and all the trash needs to be buried or removed before this location can be approved and signed off.

Yours Truly

Ray Smith
Deputy Oil & Gas Inspector
