

9. Well Site Layout  
This information is shown on Exhibit "B".
10. Plan for Restoration of Surface  
All pits will be filled in and leveled. Deadmen will be removed. The access road and location will be restored as near as possible to its natural state following instructions from appropriate governmental agency, if well is abandoned, otherwise the location will be cleared and maintained in an orderly manner.
11. Other Information  
No unusual topography exists on the well site or access roads and the surface is comprised of Exhibit "E".
