Gentlemen:

The last report this office received on the subject well was in May 1980.

To date we have had no response to our letter of April 3, 1981 requesting reports on the well.

Please submit Form C-103 reporting setting and cementing the production casing, all perforations and treatment, and what your plans are for the well.

Failure to submit the above requested report immediately will result in this matter being referred to our attorney for legal action.

Sincerely,
