Re: Corn 24
#2-N-24-5-24
Chaves County, NM

Dear Mr. Pool:

We hereby acknowledge receipt of Forms C-101 and C-102
on the subject well.

However, the acreage requirement for Abo wells is 160
acres, not 320 as shown. We will make the correction
on this well, but you will need to submit a new C-102
on your #1 Well, showing 160 acres dedicated thereto.

If you have any questions concerning this matter, feel
free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".

W. A. Gressett
Supervisor, District II
