

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and pressure tests run on the well and a summary of all reported tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of alternately drilled wells, true vertical depths shall also be reported. For multiple completions, Section IV shall be repeated for each zone. This form is to be filed in quadruplicate except on state land, where six copies are required. See Rule 1105.
