Re: Graves #1
Unit D - 14-8-28
Railroad Mountain-SA Pool

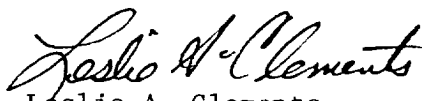

Gentlemen:

This office received a letter from Diane Richardson in the Santa Fe office asking about the above mentioned well, and what had been done.

The Santa Fe office cannot cancel your \$5,000 One-well Plugging Bond until your C-103 is completed and approved, and all the paperwork is in on the plugging of this well.

As soon as everything is completed, your bond can be cancelled.

Very truly yours,

Leslie A. Clements
Supervisor, District II
