RE: Zimmerman Well #1, Sec. 35,
T10S, R2 E, Chaves County, N.M.

Dear Mr. Spears:

I cannot approve Form C-103 (Miscellaneous Reports on Wells) on the above captioned well as you haven't cased this well according to Form C-101 (Notice of Intention to Drill).

Form C-101 stated you were going to run 700' of 7" casing with 200 sacks of cement & 950' of 4 $\frac{1}{2}$ " casing with 50 sacks of cement, & also stated you would drill to 950'. Form C-103 shows you ran 1226 $\frac{1}{2}$ ' of 4 $\frac{1}{2}$ " casing.

You should have notified us on Form C-102, & received permission to make these changes before doing so.

Very truly yours,

M. L. Armstrong
