17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Attached is copy of the results of the GOR run on the subject well. The oil was probably emulsified resulting in a false color cut for water which showed none produced. An estimated 86% of the oil reported on the GOR is water. We will schedule another GOR this time treating the tank with a hot-oiler before and after the test.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
