Re: Form C-116
GOR Report

Gentlemen:

In checking our files, we found that we have not received a GOR Report on the Duncan Federal #1-E-31-8-28, since July, 1981.

This well was previously in a Wildcat Pool, but has been placed in the Wolf Lake San Andres Pool as of March 30, 1983. The Top Allowable for the Wolf Lake San Andres Pool is 80, and the GOR Limit is 2,000.

Therefore, we need a GOR Report on this well by July 15, 1981, to avoid cancellation of your allowable.

Very truly yours,

Leslie A. Clements
