Bradenhead Survey Test Schedule
Plans to P & A

Gentlemen:

The above referenced well is scheduled for a Bradenhead Survey Test on June 17th.

We have contracted with Jim Kuykendall to plug & abandon this well; a copy of our letter to him is enclosed.

A copy of our Sundry Notice to P & A the well is also enclosed; this was sent to the BLM on June 10, 1992 and approved by them on June 18, 1992.

Inasmuch as the well will be plugged per letter and Notice, we request that the June 17th test date be set aside.

Very truly yours,
