Gentlemen:

We are returning the enclosed Form C-103 on the subject well for corrections and additional information.

The approved plugging procedure was a 35 sack plug @ 2200 and @ 400 and a 15 sack plug at surface with intervals between plugs filled w/mud.

Also please submit Form C-105 Well Completion Report and Log with all of the required attachments including the deviation tests sworn to and notorized and a finished print of each log ran.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
