- E. This exception is requested for the following reasons:

Ownership is 7-#1 is different from all the other wells in Section 7.
We are trying to evaluate the most economical means to sell gas on the 7-#1
thru the 7-#2 system. This is requiring consent of the owners which has
not been currently obtained. We are trying to get all of their approval
on this matter.

- F. I hereby certify that the rules and regulations of the Oil
Conservation Division have been complied with and
that the information given above is true and complete to
the best of my knowledge and belief.
