OATH FOR NEW ONSHORE WELLS

OCT 12 1982

STATE OF NEW MEXICO    )  
                                  ) ss:  
COUNTY OF CHAVES        )

O. C. D.  
ARTESIA, OFFICE

CARL A. SCHELLINGER, being first duly sworn, on oath deposes and says:

That hs has made or has caused to be made, pursuant to his instructions, a diligent search, where necessary, of all records which are reasonably available and contain information relevant to the determination of eligibility on all the wells within two and one-half (2½) miles of the Campbell Station Unit No. 1 Well, API 30-005,-60925, (2½ mile radius) for which a determination is requested; that to the best of his information and belief there are no severance tax or royalty records reasonably available for inspection; that he contacted a commercial data service for a search of their records for production from the wells on leases operated by others within the 2½ mile radius; that plugging records and well completion records of the state jurisdiction agency were also reviewed, and that on the basis of the information obtained from this search, examination, and review he has concluded that to the best of his information, knowledge and belief there is no marker well, as described in the Natural Gas Policy Act of 1978, within the 2½ mile radius of the well for which a determination is requested; further he knows of no other records which were not reasonably available that would be relevant to the determination requested; he has no knowledge of any other information not described in the application which is inconsistent with his conclusions.
