If well is directionally drilled give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

7-30-84

This well has been temporarily abandoned pending the construction of a pipeline to the North Haystack Federal #1. If the #1 well produces water, this well will be used as a disposal well. We respectfully request this well to be classified as temporarily abandoned and that a one year period of time be granted before the well is plugged.

I hereby certify that the foregoing is true and correct
