Dear Mr. Roybal:

Thank you for your reply to our letter regarding the above captioned well. To complete our files we will need a completion report even though the well was a dry hole. Please fill out both sides of our Form C-105 and where it asks for the initial potential test, just note P & A.

We appreciate your prompt reply so that we may complete this well file.

Sincerely,

A handwritten signature in cursive script that reads "Mike Williams".
