Gentlemen:

As of the above date we have not received an answer to our letter dated Sept. 27, 1989 regarding the above captioned well. We need all subsequent reports on all work done since December 21, 1981. We also need a corrected completion report C-105 and deviation survey. If well was plugged and abandoned submit a P & A report.

Thank you for your prompt attention to this matter.

Sincerely, \*
