Gentlemen:

We are in receipt of Form C-103 showing work done 10-31-82. However, more information is required. You must show casing test on 9 5/8" casing, and time. Also, Division Rule 107 requires a minimum of 18 hours WOC. You must use Option II if less than 18 hours on WOC.

Please put the required information on Form C-103 and return it to us. We are returning these so that you may show the required information.

Very truly yours,

Leslie A. Clements
