Gentlemen:

We are in receipt of Form C-103 on the above captioned well showing work done 11-22-82 and 11-23-82. However, you did not show the length of casing test as required by Rule 107, which requires a minimum of 18 hours WOC.

Please put the required information on Form C-103 and return it to us. We are returning these forms so that you may show the required information.

Very truly yours,
