Yates Petroleum Corporation wishes to amend their Land Use Plan to include a natural gas pipeline right-of-way approximately 2400' feet in length and 30 feet in width. The pipeline will start from the Federal HY #6 pad located in the NE4NE4 of Section 28-T7S-R25E and go north for approximately 500' feet before leaving our lease. The rest of the pipeline will be on private surface belonging to the Spool Cattle Company. Our pipeline will tie into Enron's pipeline. The pipeline will be a 2-1/2" steel pipe buried with a minimum of 24 inches of cover. An archaeological survey has been conducted and a copy sent to the BLM office.
