

This form is to be filed in compliance with RULE 1104.

If this be a request for allowable for a newly drilled or discern well, this form must be accompanied by a tabulation of the available tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowable on new and recompleted wells.

Fill out only Sections I, II, III, and VI for change of control. This is a constraint to other such change of condition.
