

INSTRUCTIONS

This form is to be filled with the appropriate Field Office of the Division not later than 20 days after the completion of any newly-dilled borehole. It shall be accompanied by a copy of all electrical and mechanical logs, logs of the well and a summary of all special tests made, including full stem tests. All depths reported shall be measured depths, in the case of fully cased wells, true vertical depth, and all depths reported. For multiple wellbores, Items 20 through 34 shall be repeated for each well. The form is to be filed in quarterly Bulletin reports and also filed, where six copies are required. See Rule 1105.
