- Outline the acreage dedicated to the subject well by colored pencil or by hand lines on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).

If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc.?

Yes ☒ No ☐ If answer is "yes" type of consolidation

If answer is "no" list the owners and tract descriptions which have actually been consolidated. Use reverse side of this form if necessary. All leases held by operator and participating parties

Not allowable will be assigned to the well until all interests have been consolidated by communitization, unitization, force-pooling, or otherwise or until a non-standard unit, eliminating such interests, has been approved by the Commission.

CERTIFICATION

I hereby certify that the information contained hereon is true and complete to the best of my knowledge and belief.
