APPROVED

BY: Original Signed By
Leslie A. Clements
Supervisor District II

This form is to be filed in compliance with rules and regulations of the Oil Conservation Division. If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a certification of the well test results on this well in accordance with section 10.1.

All sections of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and IV for all wells on new and recompleted wells.

This form must be filed for each well in a well file.
