Gentlemen:

We acknowledge receipt of your C-103's on the above captioned well. However, we can only approve your C-103 dated June 25, 1983.

On your Sundry Notice dated July 30, 1983, you need to include the casing test, pressure and length of test, as required by Rule 107.

We also need the casing test on your C-103 dated August 15, 1983, as per Rule 107.

Please correct the attached forms, and return them to us for our approval.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
